- Traditional swings
- 4-person rocker
- Inclusive play panels
- Extension of existing fence
- New park sign
- New park seat
- New picnic setting with shelter
- Existing bin to be relocated
- Park entries

**PROJECT DESCRIPTION**

Moorfield Hills Reserve in Dural is scheduled for renewal under Council's capital works program. The park is classified as a "Local Level Playground" in Council's Play Plan, and therefore play provision and elements have been proposed in accordance with this classification.

The proposed works will improve park access with an accessible grade path from Ravensbourne Circuit and expand the play area to the north / west to increase the play opportunities.

The playground will provide opportunities for swinging, sliding, rocking and climbing. Park facilities will include new seating and extending the existing fencing to the north / west to wrap around the proposed swing. Staged works may be necessary subject to funding availability.
