

Thornleigh Community  
Recycling Centre

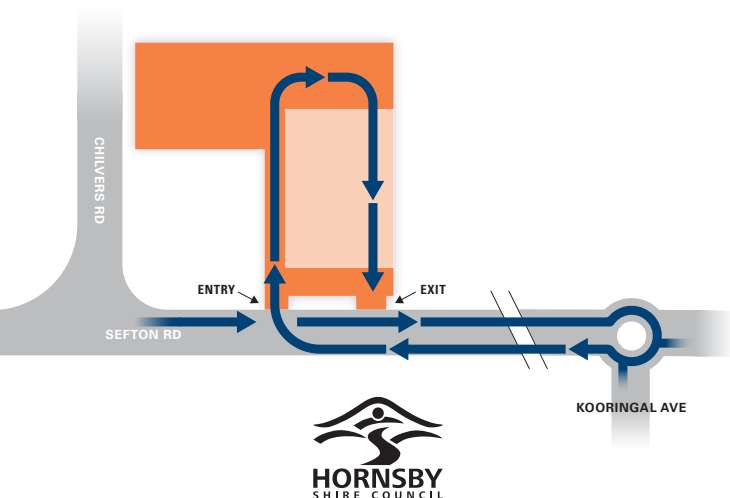

# Changed Traffic Conditions during busy Summer period

Please note changed traffic conditions are active during the Community Recycling Centre's busy period.

Commencing 24 December, visitors will be directed to proceed past the entrance of the centre, turn around at the roundabout and queue on the opposite side of Sefton Road.

**The CRC will be closed from 12pm Tuesday 24 December 2024, reopening 8:30am Thursday 2 January, 2025.**

On reopening, there is high demand causing long queues and delays at the CRC. To avoid a long wait, sort your waste before you visit, consider postponing your visit to later in January, and ensure you follow traffic instructions.

# Have you got excess household recycling after the holidays?

The Household Recycling Drop Off is available 24 hours a day, 7 days a week at 5 Beaumont Road, Mount Kuring-gai.

Drop by to recycle household mixed recycling, flattened cardboard, and eligible Return and Earn containers.

Please note this service is for household waste only.
